D. No. 5212.

P.U.C Endt. No. HS 89 (14920) dated the 2nd Aug; 1952 from the Asst. Commissioner, Coorg, Mercara.

Shri K.M. Subbiah, acting L.D.C. Excise office, requests that he may be granted E.O. for the journey performed by him on his recall to duty before the expiry of the leave granted to him.

The applicant was granted leave for a period of 3 months w.e.f. 15.1-52, and he was recalled to duty before the expiry of his leave and the leave was thereby curtailed by 15 days.

It is stated that one Ramaya, who was appointed to act as clerk during the period, after working for 2½ months left service to join a new post at Talichery. As a candidate could not be appointed for the remaining period of leave for 15 days, the applicant was asked by the A.C. vide his order No. 2832 dt. 22-4-52, to rejoin duty.

(c)

The applicant further states that due to unexpected cancellation of his leave, he had to incur heavy expenditure to attend to the needs of his ailing parents by constantly visiting Ponnampet from Mercara. In addition to this his wife was suffering from eye sore and due to the cancellation of leave he could not get medical aid to her in time and as the illness had increased he had to incur

considerable expenditure for her treatment.

In the circumstances, this is for consideration whether the reason assigned by the applicant may be accepted as a genuine one and T.A. allowed. (Please see the extract of the Rule 75 at (A)). Under the rule, T.A. may be granted in such cases at the discretion of the Chief Commissioner, if the reason for the recall is satisfactory

Returned. The leave available is only 15 days & he is not entitled for TA as a matter of right. The Chief Commr has no doubt discretion under Rule 75 But such is to the detriment suffered by Govt is 5 days earlier & And accordingly that is to enable TA. Clerk to take back reference & he would not have reached Mercara free of cost 15 days later

Dis. No. NC. Dated 22-6-54, from the Inspector of Excise, Coorg

Resubmitted. The detriment suffered by compelling me to join duty 15 days earlier unexpectedly as ordered by the Government are as follows.

At the time of my recall for duty, both my parents fell ill owing to the burden they had taken in connection with the performance of my marriage. On account their illness they could not attend my wife who was also suffering from eye pain since her marriage. As her illness was causing anxiety I had arranged to take her to Malabar for Ayyruvedic treatment, but as I got an urgent order from the Assistant Commissioner cancelling my leave I had to seek the assistance of others, which caused me heavy expenditure and personal troubles. If I had attended this personally, definitly the expenditure would have been curtailed by atleast fifty percent of the expenditure incurred by others on my debit. Besides this, out of curiosity to verify the condition of parents and wife I was compelled to visit them constantly even engaging taxis at times after the office hours. This was really a heavy blow on me and it is needless to mention other domastic troubles which I had experienced by joining duty 15 days earlier. Though the Travelling Allowance I am claiming is small, definitly it will reduce a certain percentage of my expenditure.

In the light of the abovd circumstances explained I pray that my claim for travelling Allowance which works out to Rs. 15/10/- only may kindly be reconsidered and sanctioned early.
